

WILDCAT RIDGE

Wildcat Ridge Home Owners Association

Dear Association Member,

For your convenience, your community's exterior color pallet is on file at the paint outlets below. As a courtesy to our residents the retailers may provide a discount on paint and sundries. Please inquire at the paint desk.

All three retailers have a staff of professionals that can assist you with any additional product selections as needed; and all of retailers can color match the selected Benjamin Moore Colors.

You must submit a Architectural Submittal Form anytime you are painting your home even if it is the same color.

We appreciate your efforts in maintaining our community by maintaining your home!
